Snowmobile Enduro Finnish Championship will be run in compliance with sport regulations, Snowmobile Enduro regulations and with the regulations below.

- ROUTE** Total length of the 2-day route is 480 kilometers. Altogether 4 special stages will be driven on both days. The competition is Finnish Championship competition. Following classes are not competing of the Giant Championship:
- Historic
  - M40 and M50
  - Ladies, Juniors
- START LIST** The start list will be made right after entry closing date. Please note; in case entry fee is not settled in time (due date 1.3.2012), competitor will be placed at the start list as a last starter at his/hers class.
- START** Start happens at 1-minute intervals. On second day, start happens in reverse order so that Historic, Women, Juniors, M50 and M40 start first, and other classes after that in reverse order. Reverse order means that competitor who started first at his/hes class on the first day will start last at the class on the second day. In case the entry fee is not settled in time, competitor will start as last at the class on both days. If competitor retires on first day he/she can continue on second day after accepted scrutineering and medical examination (in case of accident medical examination is needed). Competitor who has retired on first day and wishes to continue on second day must register to organizing committee by 19:00. Registration must be done in writing. In case this part of the regulations needs clarification a new Bulletin will be created.
- BREAKS** After 130 kilometers there will be a 10-minute break on both days. During the break refuel and service work can be made according to regulations.
- SERVICE AREA** After last TC of the first day competitor has 1 hour service and refuel time. Service and refuel will be done at the service area pointed by the organizer. One (1) appointed service man is allowed. After service, snowmobile needs to be transferred to the pit where competitor can pick it up on second day 20 minutes before his/hers start time. The needed service before the start is done at the service area.
- FUEL AND LUBRICANT** Competitor (and/or his service man) is responsible for refuel during the competition. At service and refuel area an "service carpet" must be used. *Sport regulations 025.5*
- RE-SCRUTINEERING** Right after Finish the snow mobiles of the Finnish Championship classes' needs to be taken to pit for re-scrutineering. Organizer reserves the opportunity to take other classes too to the re-scrutineering. If competitor does not take the snow mobile to the pit right after Finish he/she will be considered as retired. The five (5) fastest competitors (or their service man) are obligated to open the motor to allow organizer to do needed possible measurements.
- REFUNDS** The entry fee will be refunded in full when the cancellation is done two weeks before the competition. Organizer will keep a 40 € booking fee if the cancellations is made later. In case of the competition not taking place at all, a 50 € organizer fee is kept from the entry fee.
- TEAM COMPETITION** A team consists of three (3) competitors. Team result is combined result of each of the team member. A Team, Club or other PREINFORMED line-up can form a team. Entry to the team competition will be done
